This time taking it away
I've got a problem,
With they getting in the way
Not by my side.
So I take my face and bash it into a mirror,
I won't have to see the pain, bleed, bleed.

CHORUS:

This state is elevating as the hurt turns into hating,
anticipating all those fucked up feelings again.

The hurt inside is fading,
this shit's gone way too far,
all this time I've been waiting,
oh I cannot grieve anymore.
For once inside awaking,
I'm not, I'm not a whore,
You've taken everything
and oh I cannot give anymore.

My mind's done with this OK
I've got a question.
Can I throw it all away?,
take back what's mine.
So I take my time
guiding the blade down the line,
each cut closer to the vein, bleed, bleed.

CHORUS.

I'm here to stay, bring it down. (x3)
I'm here to stay,
Bring it down! (x)
Gonna break it down. (x7)
Gonna break it!

CHORUS.
