Maybe Iâ€™m insane  
walking on a wire  
maybe Iâ€™m the same  
Nothing can take me higher  
tell me where to start  
think I'm at the end  
Right now, feeling pain  
make it go away

Maybe I'm to blame  
maybe I'm a Liar  
maybe we're the same  
nothing can stop the fire  
I can't feel my heart  
but I feel the shame  
Nothing left to say  
soon I'll fade away

These places all I ever  
think about is lost in time  
these faces taunting me I'm looking back  
and they are mine

I'm hiding from the things they say  
Doing time, then lead astray  
Thinking back to times of yesterday  
I could die

I'm trying to find a better way  
but I'm trapped, can't get away

All I think is about yesterday  
I could die

Maybe Iâ€™m insane  
walking on a wire  
maybe Iâ€™m the same  
Nothing can take me higher  
I can't feel my heart  
but I feel the shame  
Nothing left to say  
soon I'll fade away

These places all I ever  
think about is lost in time  
these faces taunting me I'm looking back  
and they are mine

I'm hiding from the things they say  
Doing time, then lead astray  
Thinking back to times of yesterday  
I could die

I'm trying to find a better way  
but I'm trapped, can't get away  
All I think is about yesterday  
I could fly. [x2]
