I know it's not like me to  
(You)  
Hold back but this time I knew  
(Rape)  
You must be silent to  
Increase the volume

In your head  
Blood run red

I'm the spectator, the motivator  
Shut up, shut up  
And do it to yourself  
I'm just an innocent bystander

I'm the spectator, the motivator  
Shut up, shut up  
And do it to yourself  
I'm just an innocent bystander

You ripped your own self in two  
(Let's)  
Swear I had nothing to do  
(Switch)  
With what's been done  
You know you can't but you can

In your head  
Blood run red

I'm the spectator, the motivator  
Shut up, shut up  
And do it to yourself  
I'm just an innocent bystander

I'm the spectator, the motivator  
Shut up, shut up  
And do it to yourself  
I'm just an innocent bystander

Standing at the edge here  
Enough for me to hover by the bit here

Enough, you see I kiss you with my head, fear  
So wrong that we will never reap our debts clear

Enough's enough, enough's enough  
Enough's enough, enough's enough  
Enough's enough, enough's enough  
Enough's enough

I'm the spectator, the motivator  
Shut up, shut up  
And do it to yourself  
I'm just an innocent bystander

I'm the spectator, the motivator  
Shut up, shut up  
And do it to yourself  
I'm just an innocent bystander

I'm just an innocent bystander  
I'm just an innocent bystander  
I'm just an innocent bystander
