Fuck...Fuck...Fuck...I've got this thing going
Let it up
Let it up
Let it up
Let it up
Oh, let it up

I don't want this to go away
(...Go away)
I'm so scared
(It's gonna go away)
I can't see what's going on
(It's gonna go away)
We all crumble...
(It's gonna go away)
(It's gonna go away)
We crumble under pressure
(It's gonna go away)
...Pressure
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
(It's gonna go away)
