I shred your books of poetry
Yes, it's me again
I wreck your positivity
Yes, it's me again

I fuck it to watch it bleed
I kick it to make it scream
I am the alternate choice
To some straight life of mercy

You see beauty, I see pain
You see sky and I see acid rain

It's me again, it's me again
(It's me again)
It's me again, it's me again
(It's me again)

It's me again, it's me again
(It's me again)
It's me again

I rip your throat out on a whim
Yes, it's me again
I only ask for everything
Yes, it's me again

I squeeze it to feel it breathe
I smash it to fuel this need
I am the antidote for
Whatever sickness you feed

You see beauty, I see pain
You see sky and I see acid rain

It's me again, it's me again
(It's me again)
It's me again, it's me again
(It's me again)

It's me again, it's me again
(It's me again)

It's me again

Little Ms. Fucker don't move an inch
Ya'll dumb suckers can't take the heat
Your blood rushing from head to feet
This is what I stand for

All your choices, that's done to man
All you fuckers know who I am
I'm the living proof that you can
Turn around and say, "It's me again"
It's me again

Fuck, fuck
Fuck, fuck

You see beauty, I see pain
You see sky and I see acid rain

It's me again, it's me again
(It's me again)
It's me again, it's me again
(It's me again)

It's me again, it's me again
(It's me again)
It's me again, it's me again
(It's me again)

It's me again, it's me again
(It's me again)
It's me again, it's me again
(It's me again)

It's me again, it's me again
(It's me again)
It's me again
