Come on!

Save some for me  
It's what I like  
I want to play  
You know it's time  
Something is calling  
I can't keep from falling  
Come on!

It's on!

You'll see it's my fault  
Angels stabbing me inside  
Nothing changes  
Just rearranges  
For me this time

Once I give in  
What can I fight?  
I could never win  
Myself I don't how to like...I don't like...But don't  
fight...I don't like  
Something is calling  
I can't keep from falling  
Come on!

It's on!

You'll see it's my fault  
Angels stabbing me inside  
Nothing changes  
Just rearranges  
For me this time

This time  
This...Time  
Hold me inside  
Put me inside  
Hold me this time  
Put me inside  
Come on!

It's on!  
Come on!  
It's on!  
Come on!  
It's on!  
Come on!  
Come on!  
It's on!
