Fuck all that bullshit!

You watch me play
I look away
Your light's too bright
You found the light

Time off in space
You and I
Time off in space
You and I

You're gonna die!
Wanna beat me? Why?
I wish I had the strength
Inside your soul escapes

Time off in space
You and I
Time off in space
You and I

Cry
Into me
Help me
Something
For life
The kids that died
Listening to me

You are alive

Time off in space
You and I stay...
Time off in space
You and I
Time off in space
You and I
I... I...
