Song Meaning, Jonathan:

People think it's sexist but it isn't. It's more subconscious b\*tching at all the women who've been with me in my life. It's not about women in feneral, just those women who hurt me." "Initially, we wrote it to send to American radio for a joke, because they always chop up all the other songs. So we were going to send a 'real' single seven days later."

f\*\*k you titty suckin, two balled b\*tch  
With a fat bruised clit  
My big compoto b\*tch  
Oh sh\*t, f\*\*king, a\*\* licking, piss sucking, cunt  
These nuts on your lips  
Kentucky fried kung-pao clits  
I don't know what to say  
So what don't give up on me now  
I don't know what to say, so what

Saggy tits swinging between your fat, crusty arm pits  
Big a\*\* hairy mole between your pu\*\*y lips  
Cunt, sh\*t, cock, d\*ck, cunt, tit, barf, piss, balls, a\*\*,  
pecker, queef  
Oh sh\*t, f\*\*k, b\*tch, d\*\*n f\*\*kin diarrhoea slut, with  
HIV

Chorus

I have fought to find something to say,  
But now I found something to say  
f\*\*k you, Punk a\*\* b\*tch

Chorus

f\*\*k...sh\*t...b\*tch
