i came back to face
whats growing in my head
please get away from me

taken fun age of what i feel
yes you do
one day you'll pay for me

So i'm saying nothing
each day taking not much more
as im screaming all my pain
you will be there counting

You just see me
its something you throw around
you wont feel for me

beaten death to the ground
yes it always seems
you take more for me

so im saying nothing
each day taking not much more
as im screaming all my pain
you will be there counting

its funny how it just started
(they get the money cuz everything is on you)
they give you the money and the girls in the fame
(i only do it for the fun thats my game)

its funny how it just started
(they get the money cuz everything is on you)
they give you the money and the girls in the blame
(i only do it for the fun thats my game)

so im saying nothing
each day taking not much more
as im screaming all my pain
you will be there counting

so im saying nothing
each day taking not much more
as im screaming all this pain
you will be there counting
