Hate, something, sometime, someday, something kick  
off the front  
floor.  
Mine? Something, inside.  
I'll never ever follow.  
So give.. me.. some.. thing.. that.. is.. for.. real.  
I'll never ever follow.  
Get your boogie on...  
Hate, something, someday, each day, feeling ripped  
off again now.  
Why? This shit inside.  
Now everyone will follow.  
So give.. me.. noth.. ing.. just.. feel.  
And now the sheep will follow.  
God hates me, the more I see the light, he wants to  
see.  
God told me, I've already got the life, oh I say...  
God hates me, the more I see the light, he wants to  
see.  
God told me, I've already got the life, oh I say...  
Each day I can feel it swallow, inside something they  
took from me.  
I don't feel your deathly ways.  
Each day i feel so hollow, inside I was beating me,  
You will never see, so come dance with me.  
Dance with me  
Rumbiddieboo  
Rum bum dee dum dee bum diddie doo  
ME!  
God hates me, the more I see the light, he wants to  
see.  
God told me, I've already got the life, oh I say...  
God hates me, the more I see the light, he wants to  
see.  
God told me, I've already got the life, oh I say...  
Got the life.  
Got... the... life.
