Realised I can never win
Sometimes feel like i've failed
Inside where do I begin
My mind is laughing at me
Tell me why am I to blame?
Aren't we supposed to be the same?
That's why I will never tame
This thing that's burning in me

I am the one who chose my path
I am the one who couldn't last
I feel the life fall from me
I feel the anger changing me

Sometimes I can never tell
If i've got something after me
That's why I just beg and plead
For this curse to leave me
Tell my why am I to blame?
Aren't we supposed to be the same?
That's why I will never tame
This thing that's burning in me

I am the one who chose my path
I am the one who couldn't last
I feel the life fall from me (it's burning in me)
I feel the anger changing me

Betrayed, I feel so
Enslaved, I really tried
I did my time

I did my time [x4]

I am the one who chose my path
I am the one who couldn't last
I feel the life fall from me (it's burning in me)
I feel the anger changing me

Oh god the anger's changing me
Oh god the anger's changing me
