My brother, you love her
But don't give up your instincts
Hang onto, you'll know what
They'll be gone fast as you blink
They're trained to seduce you
Suck you dry quick as they can
Things biting down, reduce you
Now you're barely a man

Oh my God
How can you deny the flood
That's flowing through you

Hey you
You're saying that she's all that you desire
Liar

Hey you
You think you can throw water on this fire
Liar

It's not wrong to let go
And let the woman ride you
For fuck sake, don't lose touch
With the dog that's inside you
She wanted what you had
You bet she smelt the spore
Don't give up, fuck her up
One more time, slam that door

Oh my God
How can you deny the flood
That's flowing through you

Hey you
You're saying that she's all that you desire
Liar

Hey you
You think you can throw water on this fire
Liar

(Scat)

Oh my God
How can you deny the flood
That's flowing through you

Hey you
You're saying that she's all that you desire
Liar

Hey you
You think you can throw water on this fire
Liar

Liar
Liar
Liar
Liar

Oh my God
How can you deny the flood
That's flowing through you
