Why can't I decide?
Why my feelings I hide?
Always screwing with my mind
That thorn in my spine
Oh sure, it feels fine
Wasting all our time
In the back of my mind
That thorn in my spine

Wait!
See it before my eyes
Why?!
Go out that way

Looking all the time
At your face so blind
Feelin' uptight
Always the same fight
Hey man, now decide
Go ahead take your time
Kissin' all the time
That thorn in my spine

Wait!
You can't see my sign
Why?!
Play yourself out that way
Why'd!
You and me always hang
Wait!
Weren't you my friend?

The pain in which I could not feel
The pain in which I could not feel
The pain in which I could not feel
The pain in which I could not feel
The pain in which I could not feel
The pain in which I could not feel
The pain in which I could not feel
The pain in which I could not feel

Hey man, look inside

Now one can meet your real life
Remember me, guy?
That thorn in your spine
Waiting all the time
I'm doing mighty fine
Remember me, guy?
The thorn in your spine

Wait!
You can't even see my sign
Why?!
Play yourself out that way
Why'd!
You and me always hang
Wait!
Weren't you my friend?

Wait! You were my friend
Wait! You were my friend
Wait! You were my friend
Wait! You were my friend
