Love on the rocks  
Ain't no suprise  
Just pour me a drink bitch, and I'll tell you some lies  
Got nothing to lose, so you just sing the blues, all the  
time

I gave you my heart, gave you my soul  
You left me alone here, with nothing to hold  
Yesterday's gone, now all I want, is a smile

At first they say they want you  
They really need you  
Suddenly you find you' re out there, walking in the  
storm  
And when they know they have you, then they really  
have you  
Nothing you can do or say  
You got to leave, just get away

We all know the song...

Need what you need, you can say what you wanNot  
much you can do when the feeling is gone  
Baby blue skies above, but it's cold, when your love's  
on the rocks

At first they say they want you  
They really need you  
Suddenly you find you' re out there, walking in the  
storm  
And when they know they have you, then they really  
have you  
Nothing you can do or say  
You got to leave, just get away

We all know the song...

Love on the rocks  
Ain't no big suprise  
Just pour me a drink bitch, and I'll cover your eyes  
Yesterday's gone, and now all I want, is a smile
