i am watching the rise and fall of my salvation
theres so much shit around me such a lack of
compassion

i thought it would be fun and games (Be fun and
games)
instead its all the same (it's all the same)
i want somethings to do
need to feel the sickness in you

i feel the reason as its leaving me no not again(make
me bad)
its quite deceiving as im feeling the flesh make me
bad (make me bad)

i feel the reason as its leaving me no not again(make
me bad)
its quite deceiving as im feeling the flesh make me
bad

yesterday i got so old
i felt like i could die
yesterday away from you
it made me want to cry
go on go on
just walk away
go on go on
your choice is made
go on go on
and disappear
go on go on
away from here

and i know i was wrong
when i said it was true
that it couldn't be me and be her
inbetween without you
without you
without you

yesterday i got so scared

i shivered like a child
yesterday away from you
it froze me deep inside
come back come back
don't walk away
come back come back
come back today
come back come back
why can't you see?
come back come back
come back to me

and i know i was wrong
i said it was true
that it couldn't be me and be her
inbetween without you
without you
without you

All I do it look for you.
I need my fix, you needed to.
Just to get some sort of attention, attention.

What does it mean to you?(What does it mean to you)
For me its something I just do.(I just do)
I want something.
I need to feel the sickness in you

i feel the reason as its leaving me no not again(make
me bad)
its quite deceiving as im feeling the flesh make me
bad (make me bad)

i feel the reason as its leaving me no not again(make
me bad)
its quite deceiving as im feeling the flesh make me
bad

Come back come back(does it make me bad)(don't
walk away)
Come back come back come back today (make me
bad)come away why cant you see (make me bad)
Come back Come back to me(without you)
make me bad (without you)
make me bad (without you)
make me bad (without you)
make me bad (without you)
