I am watching the rise and fall of my salvation
There's so much much shit around me
Such a lack of compassion

I thought it would be fun and games
(it would be fun and games)
Instead it's all the same
(it's all the same)
I want something to do
Need to feel the sickness
In you

I feel the reason, as it's leaving me
No, not again
It's quite deceiving, as I'm feeling
The flesh made me bad

Yesterday I got so old
I felt like I could die
Yesterday I got so old
It made me want to cry
Go on go on
Just walk away
Go on go on
Your choice is made
Go on go on
And disappear
Go on go on
Away from here

And I know I was wrong
When I said it was true
That it couldn't be me and be her
Inbetween without you
Without you

Yesterday I got so scared
I shivered like a child
Yesterday away from you
It froze me deep inside
Come back come back

Don't walk away
Come back come back
Come back today
Come back come back
Why can't you see?
Come back come back
Come back to me

And I know I was wrong
When I said it was true
That it couldn't be me and be her
Inbetween without you
Without you

All I do is look for you
I need my fix
You need it to
Just to get some sort of attention
Attention

What does it mean to you?
For me, it's something I just do
I want something
I need to feel the sickness in you

I feel the reason, as it's leaving me
No, not again
It's quite deceiving, as I'm feeling
The flesh made me bad
