Time has come to realize
What you are, what you've done inside
Time has come, we'll have something to talk about
I will tell

Looking back
(Dumb)
And now I realize
(Old man)
How much you really liked him
(Dumb)
This child's mind you terrorized
(Old man)

You came to him
(Dumb)
He really didn't know your lies
(Old man)
Now his innocence's gone
(Dumb)
He's that child you terrorized
(Old man)

This fucking pain that I feel you gave to me and you
This fucking pain that I feel because of you
My childhood is gone because I loved you
My childhood is gone because I loved you

Be my neighbor

Looking back
(Child)
And now I realize
(Fucker)
How much you really loved him
(Child)
This child's mind you'd hypnotized

(Fucker)

You came to him

(Child)

You really didn't know his lies

(Fucker)

Now his innocence's gone

(Child)

I'm that child you terrorized

(Fucker)

This fucking hate that I feel you gave to me and you

This fucking pain that I feel is because of you

My childhood is gone because I loved you

My childhood is gone because I loved you

Be my neighbor

Be my neighbor

My neighbor

Fred, you told me everybody was my neighbor

They took advantage of me

And then they took their turns hating me

I wish I wouldn't have watched you

But then you made my childhood a failure

What a fucking neighbor

Fred, you told me everybody was my neighbor

They took advantage of me

And then they took their turns hating me

I wish I wouldn't have watched you

But then you made my childhood a failure

What a fucking neighbor

I hate you, I will tell

I hate you, I will tell

I hate you, I will tell

I hate you, I hate you

Be my neighbor

Be my neighbor

This fuckin' hate that I feel

This fuckin' pain that I feel

My childhood is gone

My childhood is gone

This fuckin' hate that I feel

This fuckin' pain that I feel

My childhood is gone

My childhood is gone

I will tell, I will tell
I will tell, I will tell
I will tell, I will tell
I will tell, I will tell
