Boomerang, zoomerang, tumorang (x4)

The time has come, to realize  
What you are, what you've done inside  
The time has come, all have something to talk about

I will too

Looking back (dumb)  
And now I realize (old man)  
How much you really liked him (dumb)  
This child's mind you terrorized (old man)  
You came to him (dumb)  
He really didn't know your lies (old man)  
Now his innocence gone (dumb)  
He's that child you terrorized (old man)

This fucking thing that I feel  
It came to me from you  
This fucking thing that I feel  
Because of you  
My childhood is gone  
Because I loved you  
My childhood is gone  
Because I loved you

Be my neighbor

Looking back (child)  
And now I realize (fucker)  
How much you really loved him (child)  
This child's mind you've hypnotized (fucker)  
You came to him (child)  
He really didn't know your lies (fucker)  
Now his innocence gone (child)  
I'm that child you terrorized (fucker)

Be my neighbor  
Be my neighbor, my neighbor

Fred you told me everybody was my neighbor

They took advantage of me  
And then they took their turns hating me  
I wish I would've never watched you  
But then you made my childhood a failure  
What a fucking neighbor

I hate you, I will too  
I hate you, I will too  
I hate you, I will too  
I hate you, I hate you

Be my neighbor  
Be my neighbor

This fucking thing that I feel  
This fucking thing that I feel  
My childhood is gone  
My childhood is gone  
This fucking thing that I feel  
This fucking thing that I feel  
My childhood is gone  
My childhood is gone

I will too (x10)
