I hate writing shit, it is so stupid. What's my problem today?

Maybe I'm depressed, maybe I'm helpless to what comes out my hand.

Pain, pain!

Pain, pain!

I hate writing shit, it is so stupid. Why do I feel this way?

Feelings in my heart, I'm in way too far. Can't it won't go away.

Pain, pain!

Pain, pain!

Before long, My Song Is Dying.

Before long, My Song Is Dying.

I hate writing shit, ain't looking forward to it. What's fucked-up today?

Writing all this time, feeling all that's mine come right out my hand.

Pain, pain!

Pain, pain!

Before long, My Song Is Dying.

Before long, My Song Is Dying.

Tell me now I want to know, is that me inside you see?

Is this fair, I gotta let this song inside me... free.

Just set me free.

Just set me free.

Just set me free.

Just set me free.

It just set me free.

It just set me free.

It just set me free.

It just set me free.

It just set me free.
It just set me free.
It just set me free.
It just set me free.

Before long, My Song Is Dying.
Before long, My Song Is Dying.

That's why I die.
That's why I try.
