"My Time"

I know what you're thinking.
I know what you're feeling.
I know everything in this world surrounds me.
I felt your breathing.
I hear your screaming.
I feel I can't go nowhere in this world without leaving.

My mind plays tricks on me.
I can't control it you see.
I felt it beating down everything around me.
My mind plays tricks on me.
It's unbelievable to see.
I'm always tasting the shit around me.

Let me tell you something.
This shit is beating.
It won't leave me alone.
My disease unseen.
You think you feel me,
You think you know me
Cause I'm the hell in your head.

My mind plays tricks on me.
I can't control it you see.
I felt it beating down everything around me.
My mind plays tricks on me.
It's unbelievable to see.
I'm always testing the shit around me.

Are you ready to leave?
Are you ready to die?
All I do is give.
Am I wasting my time?
I am ready to leave.
I am ready to die.
All I do is give.
Am I wasting my time?
Yes, I'm ready to leave. (No!)
Yes, I'm ready to die. (No!)
All I do is give. (Ah!)
Am I wasting my time? (No, I'm not!)

Am I wasting my time? (No, I'm not!)

My mind plays tricks on me.
I can't control it you see.
I fell it beating down everything around me.
My mind plays tricks on me.
It's unbelievable to see.
I'm always testing the shit around me.

Are you ready to leave?
Are you ready to die?
All I do is give.
Am I wasting my time?
Are you ready to leave?
Are you ready to die?

All I do is give. (x5)
