You and me, we have no faces  
Soon our lives will be erased  
Do you think they will remember?  
Or will we just be replaced?  
Oh, I wish that I could see  
How I wish that I could fly  
Far from things that hang above me  
To a place where I can cry

So why can it be?  
No one hears me call  
Echoes back at me  
No one's there

To all these nameless feelings  
I can't deal within my life  
To all these greedy people  
Trying to feed on what is mine  
You've got to fill your hunger  
And stop fucking with my mind  
I know it's time  
To leave these places far behind

You and me, we have no faces  
They don't see us anymore  
Without love as they had promised  
And no faith for what's in store  
Oh, I wish that I could see?  
How I wish that I could fly?  
Far from things that hang above me  
To a place where I can cry

So why can it be?  
No one hears me call  
Echoes back at me  
No one's there

To all these nameless feelings  
I can't deal with in my life  
To all these greedy people  
Trying to feed on what is mine  
You've got to fill your hunger

And stop fucking with my mind  
I know it's time  
To leave these places far behind

Where are all these feelings hiding?  
Dancing in and out my mind  
Burning up all that I long for  
Feeding me to my decline  
Where are you?  
My soul is bleeding  
I am searching  
Am I blind?  
All alone and bound forever  
Trapped inside me for all time

To all these nameless feelings  
I can't deal with in my life  
To all these greedy people  
Trying to feed on what is mine  
You've got to fill your hunger  
And stop fucking with my mind  
I know it's time  
To leave these places far behind  
(La, la)

To all these nameless feelings  
I can't deal with in my life  
To all these greedy people  
Trying to feed on what is mine  
You've got to fill your hunger  
And stop fucking with my mind  
I know it's time  
To leave these places far behind
