MotoLyrics

I see your faces and I do not understand why Each time I dream you're standing there right by my side Why do you make me? You take my pride and in my eyes You kind of rape me, inside

I have no place to run and hide I have no place to hide, which I like

Some who look at the time, I looked back into my life You wanna to touch me to see what's in my eyes Why do you make me? Remember my hate, all this shame

Don't you hate me? Sometimes

I have no place to run and hide I have no place to hide, which I like I have no place to run, so come on follow me I have no place to run, so come on follow me I have no place to run, so come on follow me I have no place to run, so come on follow me I have no place to run, so come on follow me I have no place to run, so come on follow me I have no place to run, so come on follow me I have no place to runÂ...

Which I likeÂ...I like Which LlikeÂ...Llike Which I likeÂ...I like

I have no place to run and hide I have no place to hide, which I like I have no place to run and hide I have no place to hide, which I like

(So come on follow me)
