You think your smart, your not!
it's plain to see that you want me to
fall of!
It's killing me!
let's see, you got the goal,
come take it all!

The jury is coming, coming to tare you apart!
all this bitching and moaning!
Come on it's ours!

i'm trapped in this world!
lonely and fading,
heart broke and waiting
for you to come!
We're stuck in this world!
There's nothing for me, for me!

it seems to me that you want me to
fall of!
It's killing me!
let's see, you got the goal,
come take it all!
The jury is coming, coming to tare me apart!
All this bitching and moaning!
Coomo on, it's ours!

I'm trapped in this world!
lonely and fadinf!
heart broke and waiting,
for you to come!
We are stuck in this world!
There's nothing for me, for me!

(song is sung for the queen of the dammed film!)
