Look at you
Feeling all good
You can't resist
You have to be all
Up in it
Don't it feel great
Talking Shit
I let it go.

[Chorus:]

Why don't you just leave me alone.
My heart is gonna break from the fall.
Holding on to petty things.
Feeling all the hate it brings.
Why don't you just leave me alone.

What a puss
Think you're so tough
I take this shit
All I had was
Loving me
It was so good
But that wasn't enough
You ripped it away

[Chorus]

Why don't you just leave me alone.
My heart is gonna break from the fall.
Holding on to petty things.
Feeling all the hate it brings.
Why don't you just leave me alone.

All the disrespect
Oh fuck, hypocrite
All the bullshit you took from me
Your such a piece of shit
Nothing but a heretic
Sucking the life out of me
Fucker your gone without me

[Chorus]

Why don't you just leave me alone.

My heart is gonna break from the fall.
Holding on to petty things.
Feeling all the hate it brings.
Why don't you just leave me alone.

Leave me alone!
Leave me alone!
Leave me alone!
Leave me the fuck alone!
