Look at you  
Feeling all good  
You cant resist  
You have to be all  
Up in it  
Dont it feel great  
Talking Shit  
I let it go.

[Chorus:]

Why dont you just leave me alone.  
My heart is gonna break from the fall.  
Holding on to petty things.  
Feeling all the hate it brings.  
Why dont you just leave me alone.

What a puss  
Think youre so tough  
I take this shit  
All i had was  
Loving me  
It was so good  
But that wasnt enough

You ripped it away

[Chorus]

All the disrespect  
All that this has meant  
All the ignorant  
All the voice you took from me  
You tried to be the shit.  
Nothin but heretic  
Talking about how of me  
How could you talk without me  
NOW!!!

[Chorus]

Leave me alone!  
Leave me alone!

Leave me alone!  
Leave me the fuck alone!
