Always it's coming  
And here it starts the game  
Why can't this puzzle be solved?  
Each time it happens it's always the same  
I look down and it starts to fall

And all I see  
It burns my eyes  
Burning all inside

Caught in the corners of my mind  
Thinking it over one more time  
Taking me over  
Taking all that's mine  
One more time

Always this teasing  
Sometimes I lose faith  
Where is my strength to hold on?  
Facing existence  
How can I relate?  
Do I stand clear or move on?

And all I see  
It burns my eyes  
Burning all inside

Caught in the corners of my mind  
Thinking it over one more time  
Taking me over  
Taking all that's mine  
One more time  
Caught in the corners of my mind  
Thinking it over one more time  
Taking me over  
Taking all that's mine  
One more time

Falling through this space in time  
Buried in this hurt of mine  
Falling slowly like a dream  
Falling through a world unseen

Why can I not break this spell?  
I'm in darkness  
Is this hell?  
Falling towards this hole I see  
This is how it has to be

Caught in the corners of my mind  
Thinking it over one more time  
Taking me over  
Taking all that's mine  
One more time  
Caught in the corners of my mind  
Thinking it over one more time  
Taking me over  
Taking all that's mine  
One more time  
One more time  
One more time
