Go!

I can, in every way
Distinct the pain I feel inside
It comes to me
Evil thoughts is creeping through my mind
Who are you to say that I can't speak what's on my
mind?
It runs away
It's so predictable

I can, in every way
Feel the strength Iâ've tangled up inside
Too blind to see emptiness and the sorrow of their life
You run away to the cover of them one last time
You ask me
It's so predictable

I'm gonna try
I'm gonna die
I'm gonna try

Another day
Silence overwhelms my mind
Who is to say, if I have the time?
Oh why, should I pray, for all the hate to go away?
Another day
I can never break free

You wait for me!
I call out to you!
Another day!
I'll live forever!

Why should I?

I'm gonna try
I'm gonna die
I'm gonna try

Oh, fuck!

I'm gonna try (Should I?)
I'm gonna try (Should I? ... Oh, Fuck)
I'm gonna try (Should I?)
I'm gonna try (Should I? ... Oh, Fuck)
I'm gonna try
I'm gonna die
I'm gonna try
