So... So wrong
Raped, but I don't realize
Somehow my legs broke
The pain between them fades

I see your pretty face!
Smashed against the bathroom floor!
What a disgrace!
Who do I feel sorry for?

Skin... So cold
How could someone steal a life?
Takes the blame
Wait, I got some shit to say

I see your pretty face!
Smashed against the bathroom floor!
What a disgrace!
Who do I feel sorry for?
Smashed and raped!
Not again!
This is a real crime!
What a pretty face!
Who do I feel sorry for?

Raped!
Something... Now!
Rips my... Heart!
And takes... My!
Soul I... Wait!
Too late... Now!
I feel... Hate!
Inside... Take!
My soul away...
Away...

I see your pretty face!
Smashed against the bathroom floor!
What a disgrace!
Who do I feel sorry for?
Smashed and raped!
Not again!

This is a real crime!
What a pretty face!
Who do I feel sorry for?
