I'm an animal
I'm a victim
I'm the answer to your prayers
I'm a witness
On the witch-hunt
I'm the monster of the stairs
I'm ghost that's
In the mirror
I'm everything that you fear
I'm the riptide
I'm the soul shock
I'm the voice that's in your head

I've seen it all
Still can't taste it
Smashed to the wall
That brought me to my knees
I've done it all
Fucked up
Wasted
Still in my blood
But now inside Iâ'm seen

I'm the hunted
I'm a predator
I'm the answer to the riddle
I'm the upbeat
I'm the headfuck
I'm the way off, left to the middle
Iâ'm the player
I'm the naive
I'm the one who's not addicted
I'm illogic
Turn the fuck up
I'm the broken one who fixed it

I've seen it all
Still can't taste it
Smashed to the wall
That brought me to my knees
I've done it all
Fucked up

Wasted
Still in my blood
But now inside Iâ€™m seen

I've seen it all
Still can't taste it
Smashed to the wall
That brought me to my knees
I've done it all
Fucked up
Wasted
Still in my blood
But now inside Iâ€™m seen

I'm just a child
With the tears in it's eyes
I am holding this gift
That is broken
What do I have left now

I've seen it all
I've done it all
I've seen it all
I've done it all

I've seen it all
Still can't taste it
Smashed to the wall
That brought me to my knees
I've done it all
Fucked up
Wasted
Still in my blood
But now inside Iâ€™m seen

I've seen it all
Still can't taste it
Smashed to the wall
That brought me to my knees
I've done it all
Fucked up
Wasted
Still in my blood
But now inside Iâ€™m seen

Now inside Iâ€™m seen
