You fell away,
what more can I say?
The feelings evolved,
I won't let it out,
I can't replace
your screaming face
feeling the sickness inside

Why won't you die?
your blood in mine
we'll be fine
then your body will be mine

So many words,
Can't describe my face
This feelings evolved
So soon to break out
I can't relate
To a happy state
feeling the blood run inside

Why won't you die
your blood in mine
We'll be fine,
then your body will be mine

Why is everything so fucking hard for me?
keep me down to what you think I should be
Must you tempt me and provoke the ministry
Keep on trying I'm not dying so easily
(I will not die)

Why is everything so fucking hard for me? (I will not die)

Why is everything so fucking hard for me? (I will not die)

Why won't you die?
your blood in mine
we'll be fine
then your body will be mine

Why would you die

your blood in mine
we'll be fine
then your body will be mine
