I'm feeling mean today
Not lost, not blown away
Just irritated and quite hated
till control breaks down
Why's everything so tame
I like my life insane
I'm fabricating and defeating you
I'm gunna kick around

Right now
Can't find a way
to get across the hate
When I see you

Right Now
I'm feeling strange inside
I want to search and feel you

Right Now
I rip apart the things inside
that live beside you

Right Now
I can't control myself
But I fucking hate you!

I'm feeling cold today
Not hurt just fucked away
I'm devastated and frustrated
God I feel so bound
So why I'd feel the need
I think it's time to bleed
I'm gunna cut myself and
Watch the blood hit the ground

Right now
Can't find a way
to get across the hate
When I see you

Right Now

I'm feeling strange inside
I want to search and feel you

Right Now
I rip apart the things inside
that live beside you

Right Now
I can't control myself
But I fucking hate you!

You open your mouth again
I swear I'm gunna break it
You Open your mouth again,
By god I cannot take it

Shutup, shutup, shutup, or I'll fuck you up
Shutup, shutup, shutup, or I'll fuck you up
Shutup, shutup, shutup, or I'll fuck you up
Shutup, shutup, shutup, or I'll fuck you up
Shutup, shutup, shutup, or I'll fuck you up
Shutup, shutup, shutup, or I'll fuck you up

Right now
Can't find a way
to get across the hate
When I see you

Right Now
I'm feeling strange inside
I want to search and feel you
