Come and fill the pages of my fantasies
Pushing all my mercy down, down, down
I want to see you try to take a swing at me.
Come on,
Gonna put you on the ground, ground, ground.

Why are you trying to make fun of me?
You think it's funny
What the fuck you think it's done to me?
You take your turn lashing out at me
I want you crying, when you're done making fun of me

All, All my hate cannot be bound
I will not be drown
By your thoughtless scheming
So you can try to tear me down?
Beat me to the ground
I will see you screaming

Come and fill the pages of my fantasies
I'm above you, smiling at you, drown, drown, drown
want to kill and rape you the way you raped me
And I'll pull the trigger and you're down, down, down

Why are you trying to make fun of me?
You think it's funny
What the fuck you think it's done to me?
You take your turn lashing out at me
I want you crying, when you're done making fun of me

All, All my hate cannot be bound

I will not be drown
By your thoughtless scheming
So you can try to tear me down?
Beat me to the ground
I will see you screaming

All my friends
Are gone,
They died (Gonna take you down)
They all screamed and cried (Gonna take you down x4)

Never gunna forget
Never forget
I can't get no where,
I'll never forget
Never forget
I can't getttt... x4

All, All my hate cannot be bound
I will not be drown
By your thoughtless scheming
So you can try to tear me down?
Beat me to the ground
I will see you screaming x2
