The Camel Song

You can see I fly
Disguised evil attracting everybody
You can watch me play
Taste your juices from me all day

You can see I tried this all for you
You can see I dispise all of you
You can see I'm trying something new
You can see me fly

[CHORUS]
Sometime, somewhere
Deceit leads you no where
You try so hard
To be the (super star?)

So come in with me
Take your under sun light set you free
Somewhere can't you see
Going on this way
Free you'll never be

So you see I tried this all for you
So you see I dispise all of you
So you see I'm trying something new
So you see me fly

[CHORUS]

Just take me away
Take me away (Take me)
Take me

[CHORUS]

Take me away..

Take.. me.. away...
