"Throw Me Away"

Flesh wound, flesh wound
With medication it will fade
Should I assume that someone hears me when I pray
Love, full of hate
Don't you love how I break?

Don't let them throw me away
Ah-ha!
Keep me and I'll be okay
Ah-ha!
Skipping a beat but it plays
Ah-ha!
Don't let them throw me away
Ah-ha!
Don't let them throw me away

Screwed up, used up
Crumpled lying on the floor
Fucked up, shut up
All you did back then was score
I'm feeling weak
Missing parts
Incomplete

Don't let them throw me away
Ah-ha!
Keep me and I'll be okay
Ah-ha!
Skipping a beat but it plays
Ah-ha!
Don't let them throw me away
Ah-ha!
Don't let them throw me away

Hold me up into the light
Fix the cracks and fix them right
Keep the pieces in the drawer
Keep them there for ever more
May come in use for someday
Recycle this shit in someday
And all that I have to say
Is don't let them throw me away

Don't let them throw me away
Ah-ha!
Keep me and I'll be okay
Ah-ha!
Skipping a beat but it plays
Ah-ha!
Don't let them throw me away
Ah-ha!
Don't let them throw me away
