Too late I'm dead
Precision planning
You stretch it, demand it
The best I try to a demand suit sayer,
Analysing mind and stings
You got it all figured out
Too late I'm dead
Too late I'm dead
You should've said I would've hung around a little longer
Too late I'm dead
Too late I'm dead
You should've said I would've hung around a little longer
Too late I'm dead

Fuck everything, everything, everything
My fucking time is now fucking gone now
Kill everything, everything, everything
My fucking time is now fucking gone now
Fuck everything, everything, everything
My fucking time is now fucking gone now
Love everything, everything, everything
My fucking time is now fucking gone now

Too late I'm dead
I made a bet you should've done the wrong to reside
me
The beast is mad
The bitches hanging out and the trees burnt to the
ground
And this ancestry

It's a strange retribution
To lie so close to what I despise

Fuck everything, everything, everything
My fucking time is now fucking gone now
Kill everything, everything, everything
My fucking time is now fucking gone now
Fuck everything, everything, everything
My fucking time is now fucking gone now
Love everything, everything, everything
My fucking time is now fucking gone now

Too late I'm dead
Too late I'm dead
OWWWWWWW
Too late I'm dead
Too late I'm dead
OWWWWWWW
Too late I'm dead
Too late I'm dead
OWWWWWWW

Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
Too late I'm dead
