How did it start?
Well, I don't know.
I just feel the craving.
I see the flesh and it smells fresh.
And it's just there for the taking.
These little girls they make me feel so god damn
Exhilarated.
I feel them up, I can't give it up.
The pain that I'm just erasing.
I tell my lies and I despise.
Every second I'm with you.
So I run away and you still stay.
So what the fuck is with you.

Your feelings I can't help but rape them.
I'm sorry I don't feel the same.
My heart inside is constantly hating.
I'm sorry I just throw you away.

I don't know why I'm so fucking cold?
I don't know why it hurts me.
All I wanna do is get with you.
And make the pain go away.
Why do I have a conscience?
All it does is fuck with me.
Why do I have this torment?
All I want to do is fuck it away.

I tell my lies and I despise.
Every second I'm with you.
So I run away and you still stay.
So what the fuck is with you.

Your feelings I can't help but rape them.
I'm sorry I don't feel the same.
My heart inside is constantly hating.
I'm sorry I just throw you away.

I tell my lies and I despise.
Every second I'm with you.
So I run away and you still stay.
So what the fuck is with you.

Your feelings I can't help but rape them.
I'm sorry I don't feel the same.
My heart inside is constantly hating.
I'm sorry I just throw you away.

I just throw you away.
I just throw you away.
I just throw you away.
I just throw you away.
