Hey you! Hey you! Devil's little sister,  
Listening to your twisted transistor.  
Hold it between your legs.  
Turn it up! Turn it up!  
The wind is coming through.  
Can't get enough...

A lonely life where no one understands you,  
But don't give up because the music do.  
Music do! Music do!  
Music do! Music do!  
Music do! Music do!

Because the music do,  
And then it's reaching ,  
Inside you, forever preaching.  
"Fuck you too!"  
Your screams, a whisper,  
Hang on you,  
Twisted transistor.

Hey you, hey you, finally you get it.  
The world ain't fair,  
Eat you if you let it.  
And as your tears fall on,  
Your breasts, your dress.  
Vibrations coming through,  
You're in a mess...

A lonely life where no one understands you,  
But don't give up because the music do.  
Music do! Music do!  
Music do! Music do!

Music do! Music do!

Because the music do,  
And then it its reaching,  
Inside you, forever preaching.  
"Fuck you too!"  
Your screams, a whisper,  
Hang on you,

Twisted transistor.

Music do! Music do!  
Music do! Music do!  
Music do! Music do!  
Music do! Music do!

Hey you! Hey you! This won't hurt a bit.  
This won't hurt a bit! This won't hurt!  
Says who? Says who?  
Anesthetize this bitch!  
Anesthetize this bitch! Anesthetize!  
Just let me be.  
Between you and me, don't fit.

Music do,  
And then it its reaching.  
Inside you, forever preaching.  
"Fuck you too!"  
Your screams, a whisper,  
Hang on you,  
Twisted transistor.
