This time I'm taking it away, I've got a problem
With me getting in the way, my violent side
So I take my face and bash it into a mirror
I won't have to see the pain
Bleed, Bleed

This pain is elevating, as the hurt turns into hating
Anticipating all the fucked up feelings again

my hurt inside is fading
This shit's gone way too far
All this time I've been waiting
Oh I cannot greave anymore
For once inside I'm waking
I'm done, I'm not a whore
You've taken everything and
And oh I cannot give anymore

My mind's done with this
Ok, I've got a question
Can I throw it all away?
Take back what's mine
So I take my time
Driving a blade down the line
Each cut, closer to the vein
Bleed, Bleed

This pain is elevating, as the hurt turns into hating
Anticipating all the fucked up feelings again

my hurt inside is fading
This shit's gone way too far
All this time I've been waiting
Oh, I cannot greave anymore
For once inside I'm waking
I'm done, I'm not a whore
You've taken everything and
And oh I cannot give anymore

I'm here to stay
...bring it down...

I'm here to stay
...bring it down...
I'm here to stay
...bring it down...
I'm here to stay
Bring it down!
Bring it down!
Bring it down!
Bring it down!
Gonna bring it down
Gonna break it down
Gonna break it down
Gonna break it down
Gonna break it down
Gonna break it down
Gonna break it
Gonna break it

This pain is elevating, as the hurt turns into hating
Anticipating all the fucked up feelings again

my hurt inside is fading
This shit
