We've got a fucked up reason to live
Who really gives a fuck?
We're gonna wake up hate
We're gonna fuck you up
I wanna break everything
I wanna make it sleep
We're gonna wake up hate
We're gonna wake it up
You gotta get it straight
We're gonna give it up
We're gonna wake up hate
We're gonna fuck you up
I wanna break everything
I wanna make it sleep
We're gonna wake up hate
We're gonna wake it up

I am the burning of my everything; an open scar
I'll be reborn in hatred
Feeling I can't love no more

I've had to suffer
I cannot wait for more
No loving and no praying
All my hate is for the taking

We've got a fucked up reason to live
Who really gives a fuck?
We're gonna wake up hate
We're gonna fuck you up
I wanna break everything
I wanna make it sleep
We're gonna wake up hate
We're gonna wake it up
You gotta get it straight
We're gonna give it up
We're gonna wake up hate
We're gonna fuck you up
I wanna break everything
I wanna make it sleep
We're gonna wake up hate
We're gonna wake it up

I am the falling of my happiness
It is no more
Stop loving
I'm still hating
'Till I can not hate no more

I've had to suffer
I cannot wait for more
No loving and no praying
All my hate is for the taking

I'm... I am a filthy...
Wasted piece of shit
I am disgusting
Take me home

We've got a fucked up reason to live
Who really gives a fuck?
We're gonna wake up hate
We're gonna fuck you up
I wanna break everything
I wanna make it sleep
We're gonna wake up hate
We're gonna wake it up
You gotta get it straight
We're gonna give it up
We're gonna wake up hate
We're gonna fuck you up
I wanna break everything
I wanna make it sleep
We're gonna wake up hate
We're gonna wake it...
We've got a fucked up reason to live
Who really gives a fuck?
We're gonna wake up hate
We're gonna fuck you up
I wanna break everything
I wanna make it sleep
We're gonna wake up hate
We're gonna wake it up
You gotta get it straight
We're gonna give it up
We're gonna wake up hate
We're gonna fuck you up
I wanna break everything
I wanna make it sleep
We're gonna wake up hate
We're gonna wake it up
