Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!

Each day, more frightening
All of us wanna die
The pressure's tightening
I don't even want to try
Should I take all this stupid bullshit?
What makes them think they can get away with it?
IÂ'm not happy
I wish theyÂ'd justÂ...

Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!

I canÂ't take no more
What are we fighting for?
You are my brothers
Each one I would die for
Please just let it go
All our heads have blown
Let's take the stage
And remember what we play for

No more fighting!
I swear I'm gonna leave
Talking shit to spite me
I wish weÂ'd justÂ...

Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!

I can't take no more
What are we fighting for?
You are my brothers
Each one I would die for
Please just let it go
All our heads have blown
Let's take the stage
And remember what we play for

I can't take no more
What are we fighting for?
You are my brothers
Each one I would die for
Please just let it go
All our heads have blown
Let's take the stage
And remember what we play for

I can't take no more
What are we fighting for?
You are my brothers
Each one I would die for
Please just let it go
All our heads have blown
Let's take the stage
And remember what we play for
Remember what we play for
Remember what we play for
Remember what we play for
