Yo, pretty ladies around the world  
Got a weird thing to show you so tell all the boys and  
girls  
Tell your brother, your sister and your mamma too  
We're about to go down and you know just what to do

Wave your hands in the air like you don't care  
Glide by the people as they start to look and stare  
Do your dance, do your dance, do your dance quick  
mamma  
Come on baby tell me what's the word

Word up, everybody say  
When you hear the call, you've got to get it underway  
Word up, it's the code word  
No matter where you say it, you know that you'll be  
heard

Now all you sucker DJ's who think you're fly  
There's got to be a reason and we know the reason why  
You try to put on those airs and act real cool  
But you got to realize that you're acting like fools

If there's music we can use it, be free to dance  
We don't have the time for psychological romance  
No romance, no romance, no romance for me mamma  
Come on baby tell me what's the word

Word up, everybody say  
When you hear the call, you've got to get it underway  
Word up, it's the code word  
No matter where you say it, you know that you'll be  
heard

Word up, everybody say  
When you hear the call, you've got to get it underway  
Word up, it's the code word  
No matter where you say it, you know that you'll be  
heard

Word up, everybody say  
When you hear the call, you've got to get it underway

Word up, it's the code word  
No matter where you say it, you know that you'll be  
heard
