Honestly somehow it always seems  
That I'm dreaming of something I could never be  
It doesn't bother me 'cause I will always be the pimp  
That I see in all of my fantasies

I don't know your fucking name  
So what? Let's

Screwing may be the only way that I can truly be free  
From my fucked up reality  
So I dream and stroke it harder  
'Cause it's so fun to see my face staring back at me

I don't know your fucking name  
So what? Let's fuck

All day I dream about sex  
All day I dream about fucking

All day I dream about fucking  
All day I dream about sex

Yes all day I dream about sex and all day I dream  
about sex  
Yes all day I dream about sex and all day I dream  
about sex  
Yes all day I dream about sex and all day I dream  
about sex  
Yes all day I dream about sex

All day I dream about sex  
All day I dream about fucking  
All day I dream about sex  
All day I dream about fucking
