Pain

Buried so far away
Into my life of nothing

Sick of the same old things
So I dig a hole, bury pain
Sick of the same old things
So I dig a hole, bury pain

I am so high always
Burying my life so slowly

Sick of the same old things
So I dig a hole, bury pain
Sick of the same old things
So I dig a hole, bury pain

Sick of the same old things
So I dig a hole, bury pain
Sick of the same old things
So I dig a hole, bury pain

It opens my mind to feelings
Can't face bottom without something

Sick of the same old things
So I dig a hole, bury pain
Sick of the same old things
So I dig a hole, bury pain

Sick of the same old things
So I dig a hole, bury pain
Sick of the same old things
So I dig a hole, bury pain

Reentering my head
Feeling like I'm God
With the world around me

Can't you feel this pain?
Ripping through my heart

Screaming through my mind
Nothing I can kill

Screaming a lie I am
Can't you tear my eyes out?
Can't you take my heart?
Away to heart
Goodbye

Sick of the same old things
So I dig a hole, bury pain
Sick of the same old things
So I dig a hole, bury pain

Sick of the same old things
So I dig a hole, bury pain
Sick of the same old things
So I dig a hole, bury

Pain, pain
Pain, pain
Pain, pain
Pain, pain
