Uh Yeah Jigga Uhu

Changing Faces (whispers)

How we do

Yo

All of my rhymes fall all of my days i trade

All of my dimes and all of my bad ways i fade

Killing late nights cruisin'

All you see is the break lights

And hair blowing you know where we going

Or at the club in the rear frontin'

Poppin droppin'

The amounts of cats but we aint trying to hear nothing

Probably was wilder than wobbly are you the wiggy to
give me

Hold me down and make me slow down to be twissy

Keep the ice out the club life - change face

Get on love wife while he on the license plates

Wait - make me think about you even when your not
around

Use the bathroom put the toilet seat back down

Got me some sprinkles the hair with the wrinkles

If preferred his and her furs to the ankles

Keep your friends buggin' lovin' all my ways

Jigga keep me jiggy all of my days

In the middle of the night

Got me thinkin' bout cha babe

Got me dreamin' about cha baby

All that i have

All that i have

Baby it's yours

Baby it's yours forever and ever baby

All i want is to be with you all of my days

All i want all i need

All i want is to be with you all of my days

All i want baby

Anything that turn you on

I'll be givin' it to you babe

You dont have to worry baby

All that i have
All that i have
Baby it's yours
Baby it's yours forever and ever baby
All i want is to be with you all of my days
All i want all i need
All i want is to be with you all of my days
All i want baby

Yeah ha ha - check it
(R KELLY)
All i want - all i need
Is you in my life - loving me
All i want - all i need
Is you in my life

Loving me
(JAY Z)
Now we going house shoppin'
Everybody want to know the prices of spouse droppin'
Keep it on the low R Kelly style it's quite shockin'
A year ago all i did was spend nights hoppin'
In the club in search of pretty faces and night stalkers
Who would have thought i'd walk down the aisle
Rice droppin' got you a nice rock and
Now it's on and poppin' droppin' holiday platinum
bracelets
Jigga - R Kelly - Changing Faces

All i want is to be with you all of my days
All i want baby

All that i have
