You're foolin' around
(Foolin', foolin' around)
You're foolin' around
(Foolin', foolin' around)

You're foolin' around
(Foolin', foolin' around)
You're foolin' around
(Foolin', foolin' around)

We used to be so close
But now things have changed
It's not the same, no, no
Since I heard you calling her name

So quick to tell me that
She was just a friend, oh yeah
I don't wanna hear those same old line
Again, again

I got a hunch
Something ain't right, no, no, no
This is no illusion
I've come to this conclusion that you're

Foolin' around
(Foolin', foolin' around)
You're foolin' around
(Foolin', foolin' around)

You're foolin' around
(Foolin', foolin' around)
You're foolin' around
(Foolin', foolin' around)

I can't believe that I
Was foolin' myself
When all along, oh yes
You were with someone else

No more games
I'm letting you go your way

'Cause three is a crowd
So I'm giving you, your space

I got a hunch
Something ain't right, oh no, no
This is no illusion
I've come to this conclusion that you're

You're foolin' around
(Foolin', foolin' around)
You're foolin' around
(Foolin', foolin' around)

You're foolin' around
(Foolin', foolin' around)
You're foolin' around
(Foolin', foolin' around)

Oh boy, you're foolin' around
(Foolin', foolin' around)
You're foolin' around
(Foolin', foolin' around)

You're foolin' around
(Foolin', foolin' around)
You're foolin' around
(Foolin', foolin' around)

I gave you the chance to give me romance
I was there for you, boy, and you know it's true
See you're weak, not strong
You should have held on, 'cause toys are for boys, oh

You're foolin' around
(Foolin', foolin' around)
You're foolin' around
