Verse1

we use to be so close, but now things have changed, it's
not the same oh no since i heard you calling her name
so quick to tell me that she was just a friend i don't
want to hear the same ol' lies again (again)
i got a hunch something ain't right oh no this is no
illusion i've come to this conclusion that your

Chorus

fooling around fooling fooling around
(repeat 2x)

Verse2

i can't believe that i was fooling myself (oh no) when all
along oh yes you were with someone else no more
games i'm letting it go your way 'cause 3 is a crowd so
i'm giving you the step oooooooo i got a hunch
something ain't right ooohhhhh (oh no) this is no
illusion i've come to this conclusion that your

Chorus

fooling around fooling fooling around
(repeat 2x)

Verse3

i gave you the chance to give me romance i was there
for you boy and you know it's true see you ain't that
strong you should've held on discharge of the boys
ooooooooooooohhhhhhhh

Chorus

(until the music fades away)
