Sittin' there, sittin' there  
Sittin' there  
All alone

I been feeling kinda strange lately  
I don't know what's going on baby  
Ever since I came back from out of town  
Something's telling me some bullshit is going down

Boy is there someone else you're seeing?  
Is it someone else?  
My vitals telling me you're creeping  
Finding numbers in your jeans  
You're talking in your sleep  
Faded letters written by me 'GHETT-O-U-T'

No more sittin' at home alone  
While you're out with somebody else  
No more staring at the phone  
'Cause I can do bad all by myself

Yeah, it's obvious how things have changed within a  
year  
Just give me half of the rent and get out of here  
No more talking save your lines for somebody else  
Keep on walking 'cause I can do bad all by myself

Boy is there someone else you're seeing?  
Is it someone else?  
My vitals telling me you're creeping  
I'm finding numbers in your jeans  
You're talking in your sleep  
Faded letters written by me 'GHETT-O-U-T'

No more sittin' at home alone  
While you're out with somebody else  
No more staring at the phone  
'Cause I can do bad all by myself

No more sittin' at home alone  
While you're out with somebody else  
No more staring at the phone

'Cause I can do bad all by myself

I gave you all, all of my time  
But you would not know a good thing  
If it stares you in your face

Boy is there someone else you're seeing?  
Is it someone else?  
My vitals telling me you're creeping  
I'm finding numbers in your jeans  
You're talking in your sleep  
Faded letters written by me 'GHETT-O-U-T'

No more sittin' at home alone  
While you're out with somebody else  
No more staring at the phone  
'Cause I can do bad all by myself

No more sittin' at home alone  
While you're out with somebody else  
No more staring at the phone  
'Cause I can do bad all by myself

No more sittin' at home alone  
While you're out with somebody else  
No more staring at the phone  
'Cause I can do bad all by myself

No more sittin' at home alone  
While you're out with somebody else  
No more staring at the phone  
'Cause I can do bad all by myself
