Tired of waiting on, tired of waiting on
In the morning, morning, morning, morning
All alone by myself, feeling so lonely
Tired of being fool cause I'm in love
With a man who don't give me the same back in return

[Chorus]

I hate that I love you, the way that I do, boy
Oh what can I say, boy
Oh why can't I let go?
I have that I love you, the way that I do boy
Oh what can I say, boy
Oh why can't I let go?

It's the way that you kiss me, when you know you're
dead wrong, boy
And then you say you can't be without me,
But the things that you do tell me differently
I can't fight, I can't fight no more
All this pain oh I can't control
I her you say you leave but my heart won't let go
I keep coming back wanting more

[Chorus]

I hate that I love you, the way that I do, boy
Oh what can I say, boy
Oh why can't I let go?
I have that I love you, the way that I do boy
Oh what can I say, boy
Oh why can't I let go?

Know I should go, but I love you baby
And 5 more years out of my, out of my life
Can't throw it away
Why won't you show me you love me
Tell me you love me, then show me, boy

[Chorus]

I hate that I love you, the way that I do, boy
Oh what can I say, boy
Oh why can't I let go?

I have that I love you, the way that I do boy
Oh what can I say, boy
Oh why can't I let go?
