I feel this vibe now  
And it's right here  
So throw your hands up in the air  
Wave 'em like you just don't care  
Come on, get in the mood, mmm  
This crowd is jumpin', keep it pumpin'  
Shake your rump and just do somethin'  
Come on now

Ain't no stoppin' this groove  
Ain't no stoppin' this groove  
Ain't no stoppin' this groove  
Ain't no stoppin' this groove

I'm livin' it up ya'll  
I'm bout to have a ball  
Cause I'm in the mood to let my guards down  
And feel this groove  
And you should be feelin' it too  
Gotta keep it right because tonight is the night

There ain't no stoppin' us tonight  
No attitudes, we feel all right  
We're doin' what we wanna do

So come on now, enjoy this groove  
There ain't no, No, no, no

Ain't no stoppin' this groove  
Ain't no stoppin' this groove  
Ain't no stoppin' this groove  
Ain't no stoppin' this groove

Get down tonight  
Break it down, break it down, down  
Get down tonight  
Break it down, break it down, down  
Get down tonight  
Break it down, break it down, down  
Get down tonight  
Break it down, break it down, down

Get down tonight  
Ain't no stoppin' this groove  
Get down tonight  
Ain't no stoppin' this groove  
Get down tonight  
Ain't no stoppin' this groove  
Get down tonight  
Ain't no stoppin' this groove

Ain't no stoppin' this groove  
Ain't no stoppin' this groove  
Ain't no stoppin' this groove  
Ain't no stoppin' this groove
