Burnbeating Heartglows in the Skull-Halls
Pulsing FlameFalls prance through the Night
And the Grim Old Master Stonecold
Grasps his Raven as Clefts crack his Throne

Within the SunStorm

Boilbrimful Heartblows melt the SnowWalls
And the Moon falls in flickering Fires
Mighty Wings fold for a Soul sold
All the Waters now tremble in Steam

Within the SunStorm

Shall his Claws no longer lead
In the Snake's wise Whisper's Bite
No hidden shall survive...
